

Claim Your Grants

**COUNTING
KING**

Our simple search & bid process for business grants in the UK.

Step 1 Check our grant finder tool to see which grants are available

Step 2 Sign up to our Grant portal and keep informed monthly

Step 3 Apply direct for grants you match with or pay for our highly competitive bid writing service where we do everything for you.

Step 4 Keep up to date with grants you match with and wait to see which ones are approved.

Why choose Counting King?

Our highly experienced grant writing team deal with innovative companies all the time and know what makes your application stand out from your competitors.

By just signing up you can stay up to date with eligible business grants in the UK free of charge.

You can apply for any of these directly if you have the time, experience and knowhow or if you would like to outsource this, you can increase your odds of successfully winning your grant application by utilising our highly trained and experienced financial analysts.

The service doesn't stop there:

- Check to see if you are eligible for R&D Tax Credits
- See what other grants go hand in hand with your application
- We work with Innovate UK specialists
- Get investor ready and see what other funding sources are available
